TABA staff will have a list of prospective new members to call, but if you already have potential members in mind, even better! The Membership Drive is a fun day of friendly competition, and only requires a little of your time.

We have some competitive team captains eager to have you on their team. Check out the cover of this issue for more information about the Membership Drive and call TABA to sign up!

# SUNBELT BUILDERS SHOW

## TAB PRESIDENT'S MESSAGE

I'd like to thank all the TABA members and their families for attending the Sunbelt Builders Show in San Antonio. Without question, this was our best Sunbelt Show in years. We saw record attendance and all the booth spaces were sold out. Many new products were showcased, including green products, energy efficient products, and numerous interior and exterior design products that were seen here for the first time. We had the best educational and motivational speakers and many of us took the opportunity to learn from these experts.

On a personal note, I really enjoyed seeing TABA so well-represented in San Antonio this year. Spending time with our members and their families during this event reminded me of the great earlier days traveling with TABA. This time together allows us to build friendships with fellow members who we do business with; the byproduct of that is supporting the housing industry in the Tyler area. This truly makes our involvement in the Tyler Area Builders Association worthwhile. Next year, the Sunbelt Builders Show will be in June at the Gaylord Texan in Grapevine, so start making plans early to attend.

**Joe Carlyle**, President of Carlyle Homes and the Texas Association of Builders, joined Operation FINALLY HOME in a surprise announcement to Army Staff Sergeant Patrick Rogers during the Opening Session of the 2014 Sunbelt Builders Show™. Operation FINALLY HOME Founder Dan Wallrath and Carlyle invited SSG Rogers on stage to announce to him and his family that they have been selected to receive a home that will be custom-built to fit the family's needs.

"As an organization, it is very important for us to acknowledge the brave individuals who have so selflessly protected our freedoms," said Carlyle. "We are both honored and humbled to take part in such a unique build."

Rogers, his wife Shelby, and their three sons: TJ, 13; Dylan, 11; and Brody, 8, will receive a five bedroom, three bath 2,500 sq. ft. home in their hometown of Tyler, Texas.

"It's a privilege to provide this family with a new home that will accommodate Patrick's special needs as he continues to recover from the injuries he suffered in Afghanistan," said Joe Carlyle. "It's an honor for me to give this true hero something back for all he has done for our country, and to also thank Shelby and their children for the sacrifices they have made as an Army family."
